

Position Description

Track and Equipment Maintenance Crew

Join our great team, form friendships, have fun, gain skills and foster relationships!

The Walhalla Goldfields Railway is a key tourism attraction in the central Gippsland region and operates scheduled services three days per week, with additional trains at peak periods and for special events. Apart from two paid positions, it is entirely managed and operated by volunteers and is fully accredited by Transport Safety Victoria.

The Roles

Track and equipment maintenance volunteers work primarily at our works depots at Walhalla and Thomson, maintaining locomotives, carriages, the 4km route and all sidings. Buildings are maintained and all equipment is kept to accredited standards.

Weed spraying, painting and garden maintenance is also undertaken.

You may also get the opportunity to assist at special events and interact with customers if desired.

Training, materials, equipment, guidelines and uniforms are all provided. We have a purpose built classroom and provide on the job training. We operate safe and clean workshops.

Desirable skills

- Mechanics
- Labourers
- Carpenters
- Fitters
- Painting
- Gardening
- A willingness to learn to work in a team and maintain safety standards.
